About Us

A safe, affordable home isn't just a place to live; it's the foundation for better health, education, and opportunity. This is why in 2018, the Pennrose Foundation was created to deepen our commitment to the communities we serve.

We do so by providing grants to support the mission of local changemakers and educational scholarships to students in our communities.

The Pennrose Foundation supports:

Children and Youth

We proudly provide scholarships and learning opportunities that help young people chase their dreams.

Local Arts + Culture

We champion arts organizations, creative spaces, and cultural experiences that make our neighborhoods feel like home.

Health and Nutrition

We sponsor initiatives that bring fresh food, wellness resources, and compassionate care to the heart of our communities.

Building Community

We invest in organizations and events that bring neighborhoods together and create spaces where everyone belongs.
