

January 2021

Dear Parents and Pennrose Employees,

The Pennrose Foundation believes that all children can benefit from a summer camp experience, especially those who may otherwise be unable to attend due to financial constraints or family situations.

The Summer Camp Scholarship program was begun to give deserving children a camp experience that might otherwise be out of reach. The Pennrose Foundation Summer Camp Scholarship program combats this summer learning loss by providing camp tuition assistance to families.

The Pennrose Foundation was founded in 2018 with a mission *to improve the lives of the disadvantaged people and communities served by Pennrose*. 2021 will be the Foundation's third year of offering summer camp scholarships to qualified residents. We hope to expand on the quantity and value of scholarships awarded in future years.

Please contact us if you have any questions.

Sincerely yours,
